NOTES
• New 10th graders who have already taken Modern Global History are enrolled in the Race, Ethnicity and Migration class, a skills-based course designed to integrate new students into the history classroom.
• 11th graders enrolled in U.S. History choose a 20th century thematic focus for the spring term.
• Students who qualify may take AP U.S. History as juniors and other AP courses as seniors.
• Spring term concentrations and electives vary annually.
• The Department offers a Signature Program in Asian Studies.
