

Celebration Book Club

Commemorate a special event in your child's life and support the
Christa McAuliffe Library!

The Celebration Book Club is a donation program which allows participants to give our school community the gift of reading while celebrating something special in their lives. You can give a book in honor of any special event in your life such as a birthday, a holiday, being in a math competition, a well-played soccer tournament, meeting a personal goal, etc. By picking a book off our library's Amazon wish list, and donating it to the library, your event will be commemorated and celebrated in our library forever through the gift of a book.

Here's how to do it:

1. Visit our library [Amazon Wishlist](#).
2. Order a book. Have it either sent directly to the school, or have it delivered to your home and send it in to school with your child.
3. Complete the form found on the backside of this page (also available on our library website).
4. Return the form to Mrs. Martin in the library. Without the form, I often have no way of knowing where the donation came from.

Once the selected book arrives, a special bookplate is placed inside the front cover stating it was donated by your child in honor of whatever you are celebrating. Once it is ready to be checked out, the book will be presented to your child during their classroom library time so they can be the first to enjoy the new book before it is put on the library shelf if they'd like.

Additional forms are available in the library and on our school website. For questions or comments, please contact Julie Martin (jumartin@lwsd.org)

Celebration Book Club Form

(Return this form to Mrs. Martin in the library.)

Access our Amazon Wishlist at

https://www.amazon.com/hz/wishlist/ls/33FGJTKXKBGAU?ref_=wl_share

Select a book from the wish list that has been created by our librarian, Mrs. Martin.

You may have the book shipped to your house and have your child carry it into the

library, or you may have it shipped directly to our school (23823 NE 22nd Street,

Sammamish, WA 98074). Please return this form so we may match it up with your book.
