

Fairview Alternative High School Parent and Family Engagement Plan

School Year: 2023-2024

Fairview Alternative High School is committed to the goal of providing quality education for every child in this district. We want to establish partnerships with parents and with the community. Everyone gains from school and homework together to support high achievement of our children. We can't do this job alone. Parents and families play an extremely important role as children's first teachers. Their support for their children and for the school is critical to their children's success at every step along the way.

Part I. Description of how the District and School will Implement Required Components

1. Fairview Alternative High School will engage parents and families who have Title I students in developing/revising the district and school policy.
2. Fairview Alternative High School will convene an annual meeting, at a convenient time, when the parents and family members of participating children are available to attend. The Title I annual meeting will inform parents/families about the Title I program, explain the requirements of parent and family engagement and the rights and responsibilities of the parents to be involved.

The annual meeting will be held on August 30th during our Open House at Fairview Alternative High School. If families cannot attend, a Zoom meeting will be held for individuals if needed.

3. Fairview Alternative High School will offer flexible meeting times during morning, during the school day, evening or weekends and may provide transportation, childcare or home visits. If families cannot attend open house, a Zoom meeting will be held for individuals if needed.
4. Fairview Alternative High School will involve parents/families in the planning and review of the school improvement plan and the joint development of the schoolwide plan when applicable. If the schoolwide plan is not satisfactory to the parents, submit comments on the plan when submitted to the district. [Section 1114(b)]

Part II. Description of the Shared Responsibilities for High Student Academic Achievement

Fairview Alternative High School will jointly develop with Title I parents/families a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility

for improved student academic achievement to meet the State academic standards. The compact should:

1. Describe the curriculum and instruction that help their student meet the state standards, identify where their child is performing and discuss ways the parent can support their child's education at home and at school.
2. Talk about the importance of the teachers and parents communicating on an ongoing basis at a minimum:
 - a. Conduct a parent-teacher conference in elementary schools, at least annually, during which time the compact is discussed as it relates to the individual child.
 - b. Provide frequent reports to parents on their children's progress.
 - c. Provide information on how parents can contact staff and staff can best contact parents, opportunities to volunteer and participate in their child's class, and observation of classroom activities.
 - d. Make sure that two-way meaningful communication between family members and school staff is addressed and when at all possible, is in a language the parents and family members can understand.

Part III. Accessibility

Fairview Alternative High School will meet the requirements of parent and family engagement of Title I, to the extent practicable; we will provide full opportunities for the participation of parents/families with children with limited English proficiency, parents/families with children with disabilities, and parents/families of migratory children, including providing information and school reports in a format and, to the extent practicable, in a language such parents/families can understand.
