

Commercial Photography II

- PS 1 Students create visually accomplished photographic compositions by applying the elements of art and principles of design for a specific purpose.
- PS 2 Students demonstrate informed decision-making in their use and choice of cameras and lenses to solve advanced photographic problems.
- PS 3 Students successfully manipulate exposure settings to achieve desired effects in advanced photographic projects.
- PS 4 Students understand the properties of light and successfully utilize a variety of light sources to achieve desired effects in advanced photographic projects.
- PS 5 Students demonstrate advanced skill in their use of software tools and media techniques to process, enhance, and manipulate photographs for a specific purpose.
- PS 6 Students implement a personally directed digital workflow.
- PS 7 Students apply a personal creative process to plan, organize, and problem solve for advanced photographic projects.
- PS 8 Students demonstrate advanced presentation, critique, and portfolio skills.
- PS 9 Students understand the history, evolution, and current trends of photography and photography's impact on world culture and apply this understanding to the production of their own independent works.
- PS 10 Students demonstrate safety, proper use of equipment, and general employability skills as required by employers.
- PS 11 9-10.RST.4 Determine the meaning of symbols, key terms, and other domain-specific words and phrases as they are used in a specific scientific or technical context relevant to grades 9–10 texts and topics.
- PS 12 9-10.RST.7 Translate quantitative or technical information expressed in words in a text into visual form (e.g., a table or chart) and translate information expressed visually or mathematically (e.g., in an equation) into words.

PS 13 9-10.WHST.6 Use technology, including the Internet, to produce, publish, and update individual or shared writing products, taking advantage of technology's capacity to link to other information and to display information flexibly and dynamically.

PS 14 9-10.WHST.8 Gather relevant information from multiple authoritative print and digital sources, using advanced searches effectively; assess the usefulness of each source in answering the research question; integrate information into the text selectively to maintain the flow of ideas, avoiding plagiarism following a standard format for citation.
