READING	ROUTINES: BUILDING A READING LIFE - launches your students' lives as upper elementary school readers. Children ramp up their reading skills by immersing themselves in within-reach fiction books while working on word solving, vocabulary development, and more.		READING TO LEARN: GRASPING MAIN IDEAS & TEXT STRUCTURES - addresses essential skills for reading expository nonfiction, such as ascertaining main ideas, recognizing text infrastructure, comparing texts, and thinking critically, as well as the skills for reading narrative nonfiction, such as determining importance by using knowledge of story structure.		CHARACTER STUDY - invites children into fiction books, teaching them to closely observe characters and sharpen their skills in interpretation.		TEST PREP - strategies to understand the language of questions, how to search for/compose responses, the format of multiple choice testing	RESEARCH CLUBS - shows youngsters how to turn to texts as their teachers. Children work in clubs to gather, synthesize, and organize information about animals, and then use this information to seek solutions to real-world problems.		AUTHOR STUDY
