How do Morton students follow the full in-person learning schedule?

The intent of the full in-person schedule is to allow students to attend school in person while maintaining CDC and IDPH guidelines for physical distancing. This can reduce the risk of an increase in the spread of COVID-19 to students and adults throughout the community. Each school would be responsible for developing their physical distancing plans for their building. Face coverings for all individuals would always be required while in the school building. This requirement is subject to change as these guidelines evolve.

All students will follow the schedule whether they are on full remote learning or attending school for in-person learning.

Mustang Mondays will continue in remote learning.

¿Cómo siguen los estudiantes de Morton el programa completo de aprendizaje en persona?

La intención del horario completo en persona es permitir que los estudiantes asistan a la escuela en persona mientras se mantienen las pautas de CDC e IDPH para el distanciamiento físico. Esto puede reducir el riesgo de un aumento en la propagación de COVID-19 a estudiantes y adultos en toda la comunidad. Cada escuela sería responsable de desarrollar sus planes de distanciamiento físico para su edificio. Siempre se requeriría que todas las personas se cubrieran la cara mientras se encontraban en el edificio de la escuela. Este requisito está sujeto a cambios a medida que evolucionen estas pautas.

Todos los estudiantes seguirán el cronograma ya sea que estén en aprendizaje remoto completo o asistiendo a la escuela para el aprendizaje en persona.

Mustang Mondays continuará en aprendizaje remoto.
