

# SSAT Testing Information

*Required for students applying to private high schools.*

## What is the SSAT®?

SSAT stands for the Secondary School Admissions Test, and it's used for admission to private middle schools and high schools. If your child is looking to attend an elite private middle or high school, this is a test they will need to do well on.

## What's on the SSAT test?

This upper level SSAT test is designed for applicants in 8th grade and above. The SSAT will always test the same three sections—Quantitative (two sections), Reading Comprehension and Verbal Reasoning. The test also contains an unscored essay that is sent to the schools your child is applying to. The SSAT contains one unscored experimental section of the test that contains Verbal, Reading and Quantitative questions. This section won't affect your score; it is used to make sure that future versions of the exam have reliable, acceptable questions.

## When can my child take the SSAT?

CCCS will host an SSAT test session on Thursday, October 19 during the school day.

## How can I sign my child up to take the SSAT?

Use the QR code below to sign-up your child to take the SSAT with CCCS. Once you have completed the form, the CCCS Assessment Department will register each student for the session and generate a testing account for parents during the process. **Please make sure ALL information entered is accurate and up-to-date. Parent contact information will be used to set up the parent access account to view SSAT scores.**

**Deadline for sign-up is 9/28/23.**

## What is the cost of taking the SSAT?

CCCS will apply for a fee waiver on your behalf, which will allow your child to take the SSAT at no cost to you.

## Test Sign Up

Go to <https://forms.gle/CNURDELE9VBrfqby6> to complete the form OR click on the QR code below.
