## High School Research Worksheet

When choosing a school think about the location of the school, class size, school type, Environment, academics, tuition/financial aid, and opportunities the school can provide. Begin researching at minimum 6 schools and write the information you find in the spots provided. Please feel free to ask Mrs. Benbow-Rideout any questions you may have.

	School Name #1:	School Name #2:	School Name #3:
<b>Location:</b> <i>Where is the school located?</i>			
<b>Environment:</b> <i>What does the school have to offer? What are the school's beliefs?</i>			
<b>Academics:</b> <i>What classes do they have to offer? Do they match your graduation goals?</i>			
<b>Tuition/ Financial Aid/ Scholarship opportunities.</b>			
<b>Opportunities/ Activities</b> <i>What sports, clubs, and programs does the school have to offer?</i>
