

ADMINISTRATIVE LEAVE & SUSPENSION

Administrative Leave

The Yellowstone School Board authorizes the Administrator to place a district employee (teacher, administrator, or ancillary staff) on administrative leave when an employee is under district and/or law enforcement investigation, and the Administrator identifies a need to temporarily remove the employee from his/her duties and/or job placement to protect district property, school operations, students and/or other employees. The Administrator may consult with district legal counsel when determining if assignment of administrative leave is appropriate.

Prior to placing an employee on administrative leave, the Administrator should consider if a transfer or reassignment of the employee would be an appropriate alternative to administrative leave. A decision to transfer or reassign an employee shall not violate the terms of the employee’s contract with the District or negotiated agreement, if applicable.

Administrative leave shall be with pay, and the employee shall not be required to take any applicable paid leave benefits as part of the administrative leave.

The duration of administrative leave shall be until the investigation is complete and the Administrator determines that the employee’s potential threat or disruption to district property, school operations, students and/or other employees has passed.

The Yellowstone School Board delegates authority to the Board President to place the Business Manager or Administrator on administrative leave using the same criteria and requirements established above.

Suspension

The Board delegates authority to the Administrator to suspend all contracted district employees, except when the Board is required to suspend teachers and administrators by applicable law (NDCC 15.1-14-08 and 15.1-15-10). The Administrator is authorized to suspend all at-will employees.

Suspension may be with or without pay. If an employee is suspended without pay and then reinstated, the employee shall be entitled to back wages and accrual of any benefits that would have been accumulated during the period of suspension.
