

Master's Degree Reimbursement Agreement

The District will reimburse a teacher up to \$2,000 per year for graduate level courses. The courses must be taken in a Master's degree program approved by the Administrator prior to enrolling. The District will reimburse a teacher for up to seven years or until the courses are paid in full, whichever is first. The total amount the District will reimburse a teacher will not exceed \$14,000.

The teacher will be required to pay for and complete the courses in order to be eligible for reimbursement. Upon completion of the pre-approved courses, the District will require a teacher to submit proof of payment and a copy of the transcripts with the final grades for the courses.

The District will approve the reimbursement at the first regular board meeting following the submission of the proper paperwork.
