Question/Comment	
Is there a way to find out how much of these funds have been spent so far? And how fluid can the money move between each line item if we have overestimated/underestimated costs?	Yes. That information can be made available upon request. The funding and allocation per the actions is fluid and can be adjusted as needed. Each funding source has deadlines that the funds must be spent.
Difference between the Nugent Counselor and Psych Intern	The Nugent counselors currently are working to complete full certification as Marriage Family Therapists (MFTs). The psych interns are interns also completing their full certification, but they have different roles.
Language Line was in two locations: Is there a difference?	Yes, one is for Student Services specifically providing services to support the IEP process. The other is Language Line that all sites can use for interpreting via phone line and translations, as needed.
1.7-1.8 million- Total was 2.2-2.3 Where did the difference come from?	Funding is fluid: All COVID 19 funds are included in the LCP, as well as funds from LCFF Base and Supplemental Funds. The LCP is a requirement to address how the COVID-19 funds are utilized to support LEAs.
Summary of Breakout Room discussion: Price discussed some of the apps, programs, PD and coaching that we have used site funds due to the needs that distance learning has stimulated.	
107,000 line, was it for August PD	Yes and it included the presenters; (95,000 is an estimate)
Fammatre: There is a high need for supporting our English Learners. Language line helps but things are getting lost in translation
