2022-2023

Raymond Searles, Jr.
Acting Director of Guidance
February 7, 2022

NJ Graduation Assessment Requirements

Classes of 2023-2025

Pathway 1:

Students must take and demonstrate proficiency in Grade 11 on the New Jersey Graduation Proficiency Assessment (NJGPA), which includes content aligned to the grade 10 New Jersey Student Learning Standards (NJSLS) in ELA, and the NJSLS in Algebra 1 and Geometry. If after completing the New Jersey Graduation Proficiency Assessment a student does not demonstrate proficiency on the ELA or mathematics section, the student may retake the New Jersey Graduation Proficiency Assessment in the following summer or fall.

If, after completing the NJGPA, students did not demonstrate proficiency by passing either the ELA or Math component, students may access the following pathways:

- Pathway 2: By meeting the designated cut score on a substitute competency test or
- Pathway 3: By submitting, through the district, a student portfolio appeal to the New Jersey Department of Education.

Pathways 2 and 3 are only available to students who completed the NJGPA in Grade 11.

Class of 2026

The New Jersey Department of Education has not yet announced the requirements for the Class of 2026 and beyond.

Dual Enrollment

Seton Hall Project Acceleration	
<i>MLHS Course</i>	<i>Seton Hall Applicable Course(s)</i>
