**“Safe Return to
School Plan”**
2021-22

MLSD Safe Return to School Draft Plan

- Operate full days of in-person learning, including lunch, beginning September 2021.
 - Guiding Principles:
 - Maintain health and safety for all by continuing to follow guidelines provided by the NJDOH.
 - Provide continuity of services in order to support staff and student social-emotional needs while ensuring access to mental health supports.
 - Please note that while masking is still recognized in the plan, it is reasonable to think it will not be required next school year.
