# Travel Guidance Update

# Domestic vs. International Travel

- Domestic travel restrictions may be avoided should our region of the CALI Report move to low (yellow) when traveling domestically to a region that is low or moderate, but not high.
- International travel restrictions remain as recommended and based on destination.

# Strategic Planning Update

# Strategic Planning Purpose

- Creates an organization-wide mission that directs, motivates and inspires all members of the educational community to work together for the common good.
- The process will allow the MLBOE and administration to become more strategic managers of our resources and help the district address desired changes in our school community.
- The Strategic Planning process will answer three big questions:
  - Where are we today?
  - Where do we want to be in the future?
  - What should we be focused on today in order to get where we want to be tomorrow?

# Strategic Planning Progress
