Ms. Hugie,

The district is in receipt of your September 22, FOIA request. The FOIA requires the public body to make public records available. In this instance, the district is not in possession of any documents or records responsive to the items you have requested. As per a procurement exemption, the district did not bid these services out previously. As such, contracts are the only related available public documents, not bids or awards. The district has responded to another citizen's request that is similar in nature to yours. Please see the links below:
