

MANAGEMENT OF STUDENT ACTIVITIES FUNDS

The Yellowstone School Board shall establish a student activity fund for the support of school-related extracurricular activities.

The Administrator shall establish procedures for the operation and maintenance of student activity accounts.

The Administrator of each school building is responsible for the overall operation of the student activity funds, including approving disbursements, fundraising plans, and assigning faculty advisors to each student activity.

The faculty advisor for the student activity shall supervise all activities and finances. The faculty advisor shall have the Administrator approve all transactions of the student activity and shall maintain proper supporting financial documentation. The faculty advisor shall promptly collect, receipt and deposit all monies with the Business Manager.

All checks for an extracurricular activity should be made payable to Yellowstone School District #14.

The Business Manager shall deposit all student activities funds into the appropriate student activity account.

Records of receipts and disbursements shall be part of the annual district audit. Payments for the audit must be made from district funds. The Business Manager shall give the Board a monthly report of receipts, expenditures, and balances in the activities fund.

When a student activity is terminated, the Business Manager shall submit an account of those funds to the Board. An unencumbered student activity account will revert to general activity account when a class graduates or the student activity is discontinued.
