

A **YOUNG ADULT** book sticker means that book may have more mature / 8th grade / high-school content.

YOU know what **YOU** and **YOUR FAMILY** are comfortable with you reading / watching / listening to / playing.

If a book ever makes you feel uncomfortable, bring it back and check out something else.

What is not a good fit for you now, might be a good fit for someone else, or for you in the future.

Library books are optional free reading, not a requirement.

Please see Mrs. Hahn or Ms. Teuscher with any questions.
