

MIDDLE SCHOOL ACADEMICS

LAKESIDE
S C H O O L

Academic success and healthy personal development go hand in hand at Lakeside Middle School.

Interdisciplinary classes and programs are designed to support students in learning the content, competencies, and mindsets that will help them succeed in their academic and personal goals. Students and teachers connect and learn together in an environment that is respectful, supportive, and inclusive. Students find friends, classmates, and teachers who share their interests and passion for contributing to our community and our world.

Explore Middle School academics and programs by reading our curriculum guide.

The school day

COMMUNITY

Advisory is a place where small groups of students can build connections with each other and a trusted adult.

Community meeting is a time to share news, hear special speakers, and recognize members of the community.

Affinity, alliance, and dialogue groups give students a chance to learn about aspects of their identity.

FOOD

The dining room is open for breakfast, lunch, and afternoon snacks.

Healthy meals are prepared fresh each day; students also bring food from home.

AFTER SCHOOL

After-school activities include **clubs, play practices, and athletics.**

Students often meet with teachers or work in the **Brain and Learning Lab**, which helps support student learning and academic growth.

After-school study hall in the library goes until 6 p.m. every day.

Buses depart around 3:30 p.m.; two evening activity buses leave around 6 p.m. Students need to be enrolled on the bus program in order to take the bus.

All activities and after-school study hall are free.

HOMEWORK

Students receive approximately 50 minutes of homework in 5th grade; 60 minutes in 6th grade; 70 minutes in 7th grade; and 80 minutes in 8th grade. Assignments are posted online. All students have supervised study hall or free periods to work on homework.
