

Mountain Lakes School District

Superintendent/Assistant Superintendent Update
Monday, February 1, 2021

Weather Update

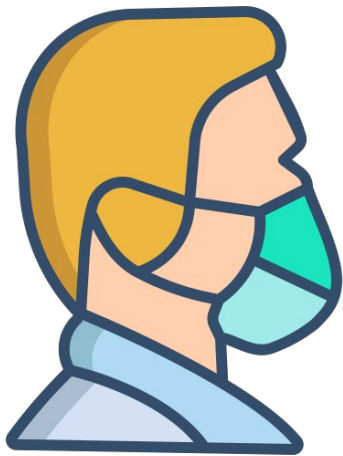

Tuesday, February 2

- All schools will be running on an all-virtual schedule.
 - Conditions will be further evaluated tomorrow to determine if afterschool activities will run or not.
-

Covid Update

MLSD Covid Cases

- Decisions are made only after lengthy discussion with our local health officer, thoughtful consideration of the facts, the science of epidemiology and adequate precaution.
 - Covid cases since our last board meeting: (1/19/21)
 - Students: 8
 - Staff: 0
 - We will continue to make every effort to offer in-person, hybrid instruction, so long as we can maintain adequate staffing levels and avoid viral spread within our schools.
 - Please inform your school nurse or building administrator should your child test positive for COVID-19.

State Testing

New Jersey Student Learning Assessments (NJSLA)

- At this time, the United States Department of Education has not indicated that there will be any form of waiver of states' statewide assessment obligations for the 2020-2021 school year.
 - Therefore, school districts should proceed with planning for the NJSLA in English language arts (ELA), mathematics, and science for the spring of 2021.
 - The NJDOE will provide the option to administer the NJSLA remotely during the spring 2021 assessment administration, which runs from March 15, 2021 to June 11, 2021.
