Administrative Councils and Committees

The Board of Education authorizes the Superintendent to establish permanent or temporary councils and committees which they deem necessary for proper administration of Board policies and for the improvement of the total educational program. All councils and committees created by the Superintendent shall be for the purpose of obtaining to a maximum degree the professional advice and counsel of the personnel of the school system.

The number, composition, and work to be done by such councils and committees shall be defined by the Superintendent or their designee and shall be changed at their discretion.

The Board further authorizes school principals to establish permanent and temporary councils and committees within their respective faculty and school which they deem necessary for proper administration of Board Policies and administrative rules. All councils and committees created by a principal shall be for the purpose of obtaining to a maximum degree the professional advice and council of such personnel. The number, composition, and work to be done by such councils and committees shall be defined by the Principal and shall be changed at their discretion. All work of such councils and committees shall be shared with the Superintendent or their designee.
