Disenrollment

The Board of Education views regular and uninterrupted attendance at school, by law, as the responsibility of each student and his/her parent/guardian(s). Classroom learning experiences are an important and integral part of the learning process and vital to student success.

In addition, the Board understands and appreciates the critical need and importance of accurate student enrollment counts/data at the district and individual school levels. Such counts are crucial to the appropriate fulfillment of the Board's responsibilities related to budget, personnel and facility planning, currently and long range. District enrollment data, forwarded as required to the State Department of Education, must also be up-to-date and accurate to facilitate the timely, correct and equitable calculations of grant entitlements supportive of district efforts.

The Board directs the Superintendent of Schools or his/her designee to develop and implement the necessary procedures to ensure the accuracy of District enrollment counts through the timely removal from District rolls of those students no longer attending and/or eligible for services in the District.
