

Instruction

Bilingual-English Language Learning Education

The Superintendent of Schools, or designee, shall ascertain annually the number of children of limited and non-English speaking ability within the school district and classify them according to their dominant language and report them to the Board of Education.

A limited English proficient student is as defined in Title VII of the Improving America's Schools Act of 1994, P.L. 103-382. A student is considered to have limited English proficiency if he or she was not born in the United States or comes from a country where English is not the dominant language; and has sufficient difficulty reading, writing, speaking and understanding English that he or she may not be able to learn successfully in an English-language classroom or participate fully in American society.

Whenever it is ascertained that there are in any public school building within New London twenty or more eligible students classified as dominant in any one language other than English, the Board of Education shall provide a program of bilingual education for such eligible students for the following school year.

The Superintendent of Schools will require each School Principal to conduct a preliminary assessment of dominant language of all students in the district as follows:

1. From parents/guardians by personal contact in the student's presumed dominant language.
2. From parents/guardians by use of questionnaires in the student's dominant language.
3. From personal interviews in the presumed dominant language (grades 4-12 only).
4. From school records (only when unable to use one of the methods described in 1a - 1c.)

The Superintendent shall apply annually for a grant of funds to support such a program. The Superintendent shall also submit annual reports of progress as required by law.

A meeting shall be held with the parents/guardians of eligible students to explain the benefits of the language program options available in the district. A student will be placed in a bilingual program if the parent(s) or guardian(s) elect this option.

Any student shall be eligible for the bilingual program in accordance with state and federal law. The program must continuously increase the use of English for instruction in accordance with state and federal law.

Bilingual-Bicultural Education (continued)

The progress made by each student in the bilingual education program in meeting the English mastery standard developed by the State Department of Education shall be assessed annually. Students not meeting the English mastery standard or those demonstrating limited progress shall be provided with additional language support services which may include, but are not limited to, summer school, after-school assistance and tutoring. Students meeting the state standard shall leave the program. The date of initiation into the district's bilingual program and the date and results of the required assessments shall be documented on the student's permanent record card.

Eligible students enrolling in a secondary school with less than thirty (30) months remaining before graduation shall be assigned to an English as a Second Language program. He/she may also be provided with additional services designed to enable the student to speak, write, and comprehend English by the time the student graduates and to assist the student meet the course requirements for graduation.

Bilingual education or ESL students may be exempted from participation in the Connecticut Mastery Test (CMT) or Connecticut Academic Performance Test (CAPT) programs as allowed by state or federal law.

Any limited English proficient student who has been enrolled from ten to twenty months and who scores below standard on the English mastery test administered in the month prior to the administration of the statewide mastery examinations may be exempted from participation in the Connecticut Mastery Test (CMT) or Connecticut Academic Performance Test (CAPT) programs.

The District, when required to provide a bilingual education program, shall also investigate the feasibility of instituting dual language programs starting in pre-school.
