

2023 JH Cross Country Extravaganza

Date: Tuesday, Sept. 26, 2023

Location: Eastview Christian Church, 1500 Airport Road, Normal, IL

Cross Country Course

Purpose: Eastview has developed a 2.0 mile cross country grass course. The course runs fast and is spectator friendly. We have a great venue to host and make the event fun for everyone. We hope to build events that inspire kids to love the sport of cross country. ***Our unique format will allow all participants to race against their own grade level! An opportunity to thrive with their peers both individually and as a grade level team.***

School Entry: **\$100 per school.**

AD's and coaches: The cost 50 for all boys entries. And \$50 for all girls entries. If entering both boys and girls teams the total will be \$100 for the meet.

Open Race entry: OPEN RACE FEE: \$5 per person. 4th graders are free entry. There will be an open division race offered for students who are not a part of school teams. This is a good way for programs to encourage 4th/5th grade students to step into the sport of cross country. This is designed for individuals competing unattached from a school team. (ex: a 5th grade student at Prairieland Elementary which is not an IESA cross country school.)

Spectators: Free Entry

Concessions: We will have gondolas, pizza, and other snacks and drinks. All proceeds go to support REM HS in Ngong, Kenya. More information will be shared at the meet.

Awards: Medals to top 10 finishers. Team trophies for 5th boys and girls divisions and 6th boys and girls division winners. Team trophies for 7/8 divisions as well.

Schedule: Races will begin at 4:00pm. Awards to follow at the finish line.

Note the Open races for non-IESA students will take place after the races for school teams.

Tentative Schedule: Schools may have unlimited entries in each race.
