

Towanda	Elementary 2020-2021		Grade: Third	
<p>Choice Board</p> <p>Students should choose at least one activity from each subject area column (Math, Reading, Writing, Science/Social and Specials)</p> <p>Place a check and parent initial on the activities completed and have caregiver/parent sign the bottom of the form.</p> <p>Students please return this sheet to your teacher within 3 days upon your return to school.</p>				
Math	Reading	Writing	Science / Social	Specials
Practice your multiplication facts. Write down all of the problems and their products from 1 x 1 all the way to 10 x 10	Read a fiction text. Write down the character, the setting, and the plot. Be sure to include the title of the book. Draw a picture to go along with your favorite part that you read today.	Write a fiction story. Make sure to include the character, the setting and the plot. Use 4 Star Sentences to give more details. Check for a beginning, Middle, and End to your story. Grammar, spelling and punctuation should be	Think about the 3 Laws of Motion. Find objects in your home where you could do experiments to prove those laws. Draw a comic of one of those laws and what you used to show that.	2 music lessons; 1 art lesson, 1 IMC lesson; 5 PE lessons per week
Go to Prodigy or Freckle. Tell me some of the lesson that you work on and what skill was it trying to have you practice?	Read a nonfiction text. There are several text features that should be included in your book. write down at least 3 nonfiction text features that you found and explain how they were helpful in better understanding	Write an informational text about a topic that you are an expert on. Think of 3 points to write details about and support. Think about what nonfiction text features you would include. What type of text structure are your writing? Cause/Effect? Chronological Order? Problem and Solution? Compare/Contrast?	Take a sheet of paper. Partition it into 3 parts. Write down the 3 types of communities and 3 facts you know about each of them. Draw a picture to go along with those characteristics of those communities	Practice keyboarding with Dance Mat Typing (link on IMC website). Complete one or more lessons. OR On a piece of paper, draw a computer keyboard and fill in as many keys as you can.
Go on Every Day Math online. Click on a game and play it. Tell your caregiver why you picked that game and what was the main idea of playing it.	Go on Epic or National Geographic. Read for 20 minutes. Mark that down on your reading calendar. Use the nonfiction or fiction reading response questions and pick one to answer on your book. Don't forget to write the title of your book with the question. Restate the question, answer the question, and prove it from the text.	Practice writing down the long vowel patterns that we have learned: Make a list of words that you can spell from each vowel pattern. Circle which vowel pattern you feel most comfortable with when it comes to spelling words.	Make a bridge using 2 pieces of paper. What is your best design and why do you think it worked? How many tries did it take for you to like your design? Now add coins onto your bridge until it "collapses". How many coins were you able to put on your bridge?	
Take a deck of cards using cards 1-10. Flip over over 2 cards decide to either add, subtract, or multiply Record all of the facts your practice writing out number sentences on a clean sheet of paper.	Pull out your favorite book of all time. Read a chapter from that book in your favorite "VOICE". Tell me the title of your book and what makes it your favorite. Don't forget to give examples for your reasons.	Freestyle: If you could write in any style, what would it be? Get to writing!	List the month that we are currently in. What holidays or events are happening in this month? List them. Pick one to research and find more information about. Write down what is important about this event or holiday.	
Draw 5 circles. Partition those circles into 1.) halves 2.) thirds 3.) Fourths 4.) Sixths and 5.) Eighths. Next shade in some of those sections. Decide if any of the circles are equivalent fractions. If not, draw some equivalent fractions and label those parts with the fractions.	Nonfiction: Go to Mrs. Thompson's IMC website and click on Encyclopedia Books Online. Type in a nonfiction topic. Read to find out more about that topic. Do a 3-2-1.	Use this sentence to write a 4 star sentence: I watched tv. Add adverbs to describe the verb, adjectives to describe the noun, and prepositions to show location.	Go to Mystery Science. Click on the video for the month and tell me about what you learned.
