

4th Grade Choice Board for Inclement Weather Days

Complete one box from each subject.

*Yellow boxes are online choices.

Math	Reading	Writing/ Word Work	Science/ Social Studies
Practice your multiplication facts. Write down all of the problems and their products from 1x1 all the way to 12x12	Find a comfy & cozy spot in your house and read a <i>Just Right</i> book for 30 minutes, then write a summary of what you read on lined paper.	Write a 2-paragraph (around 10 sentences) fictional story about a SNOW DAY! Be sure to write in chronological order & with lots of detail!	Create your own weather report at home. What does it look like & feel like outside? Use descriptive words to tell what you see & feel. Then, do a weather report on FLIPGRID or have a parent video you and email it to me.
Complete any 2 blank Math Boxes pages in Math Journal Volume 1	Read 3 books aloud to a younger sibling, or even a stuffed animal or a pet! Write down the 3 titles on lined paper.	Practice writing your current words, and sorting them into categories. You'll need to get your word list from Spelling City, unless you have your list at home.	Practice your flashcards for the SE Region! Make sure you have memorized their locations, as well as the capital and abbreviation for all 12 states.
Complete a Ken-Ken Puzzle. Go online HERE , and choose a 4x4 puzzle, with all operations.	Go to National Geographic Kids , choose an animal to research. Read and study as much as you can, then write down 3 facts on lined paper.	Create your own fictional storyboard at this website . Be prepared to share it with your classmates at school.	Complete this Mystery Science on Emojis! Then write a 3-5 sentences in a paragraph about what you learned.
Go to IXL (through Clever), then do 2 skills that we have already learned in Math this year.	Go to Epic (through Clever) and read a Biography about any person. Then, write down 3 facts you learned about this person.	Complete 2 activities from your current word list at Spelling City . Then, do the practice test.	Watch CNN 10 for the day, then write your summary statement on a piece of paper. Be sure it is a complete sentence!
