# Overview

Due to recent updates to your medical plan, you will experience some changes to your Cigna Choice Fund TakeCharge Health Saving Account (HSA). As a valued customer we want to insure that you stay informed, this guide was created to provide you with the key information you need.

## What's changing?

**New Online Account Access** – myChoiceFund.com

**Debit Card** - You will receive a new Choice Fund MasterCard® Debit Card

**Fee Schedule** - Your new Monthly HSA Benefit Administration Fee will be \$2.90.

## Accessing your Account Online

You can continue to access and manage your HSA online, via a browser on your phone, tablet or personal computer however you will need to establish a new username and password by following the below steps:

- **Visit your new Choice Fund HSA Accountholder Website** at myChoiceFund.com. Select the **'Register'** button and follow the prompts to create a new username and password.

## Important Information

To get started enter the following information:

- First and Last Name
- Zip Code
- New Debit Card Number

If you do not have your debit card, you will need to enter (**CI2ZZCIG9999**) in the Employer Name field as well as your Employee ID. If you need to obtain your Employee ID number please contact Choice Fund HSA Customer Service.
