Monday, October 9th

College Fair at Marian Catholic HS - West and East Gyms

The fair runs from 6:30 to 8:00 PM. Over 120 colleges and universities will be attending the fair. Representatives from the Illinois Student Assistance Commission (ISAC) will also be present to answer questions about financial aid.

Students and parents are encouraged to register ahead of time at [StriveFair.com](https://www.StriveFair.com). After registering, you will be texted and emailed a barcode that the colleges can scan. When a college scans your barcode, they will receive your information. After the event, you will receive an email with the contact information of the colleges that scanned you. StriveFair has added a new feature this year - **MISSED CONNECTIONS**. It allows students to send their info to colleges that they may have missed at the fair. Or you may connect with the colleges even if you couldn't attend the fair.

If you have any questions about any of these events, please contact one of the counselors.
