Parents Who Are...

...more "hands-on" with their kids - set limits, negotiate clear consequences, listen, know where they are - raise children who are less likely to use alcohol and other drugs.

Board of Education Meetings are Tentative and Subject to Change.

Delaying alcohol, tobacco, and other drug use is good prevention.
"A child who gets through age 21 without smoking, using illegal drugs or abusing alcohol is virtually certain never to do so," says Joseph Califano, founder of CASA, Columbia University.

Board of Education Meetings are Tentative and Subject to Change.

Parents – Send Clear Messages. Teens View Silence as Approval.

Communicating disapproval of underage drinking is the most effective message parents and parental figures can send to youth.

Board of Education Meetings are Tentative and Subject to Change.

Transitions are tricky: 5th - 6th grade, 8th - 9th grade, and high school - college.

Experimentation and risky behaviors are often observed during transitions. Stay alert, keep talking, and get help when you need it.
