

HOSPITALITY PATHWAY

- ASSOCIATE OF APPLIED SCIENCE IN BUSINESS
- BACHELOR OF APPLIED SCIENCE IN HOSPITALITY LEADERSHIP

EARLY COLLEGE PROGRAM

Empowering College & Career Ready Students

PROGRAM DESIGN

The ECP Business Pathway is designed so that students can complete an Associate of Applied Science in Business- Hospitality Emphasis degree one year following high school graduation. Students can transfer the degree to Missouri State University and complete a Bachelor of Applied Science degree in Hospitality Leadership 3 years after high school graduation.

WHY APPLIED SCIENCE DEGREES?

Applied Science degrees allow students to start on degree related classes immediately and replace most general education classes with business classes. Applied science degrees emphasize internships, capstone projects, and workforce ready skills.

SAVE MONEY

Students can earn a 4-year degree for less than \$20,000 when applying A+ Scholarship money! Financial aid & scholarships can be applied for more savings. 529 Savings \$\$ can be used to cover the cost of tuition. LSR7 provides tuition/textbook support for qualifying families.

WORKFORCE READY SKILLS

Program includes more major-specific coursework, internships, and capstone projects, helping students graduate workforce ready.

SAVE TIME

Students start earning college degree credits while earning high school credits. Students can complete a 4-year college degree, 3-years after graduating high school!
