Walk & Roll

To School Day

Why Walk?

MAKINGKANEFITFORKIDS.ORG

- ✓ Evidence shows that children who are physically active on the way to school burn off some of their excess energy and focus better in school.
- ✓ Walking has been shown to improve mental health, happiness, and well-being.
- ✓ Children need at least an hour of physical activity per day, and walking or cycling to and from school is an ideal way to get some of that activity, and it's free!
- ✓ Cuts down on car use and reduces air pollution.
- ✓ Cost – This one's easy... the amount you spend on gas will go down!
- ✓ Walking to school allows children to have extra time in the day to build friendships.
- ✓ Walking home can be a great time to think, relax, and mull over their day.

Día De Caminar y Rodar

A La Escuela

¿Por Qué Caminar?

MAKINGKANEFITFORKIDS.ORG

- ✓ La evidencia demuestra que los niños que son físicamente activos y caminan a la escuela son capaces de utilizar mejor su exceso de energía y además de concentrarse mejor en la escuela.
- ✓ Disminuye la utilización vehicular y la contaminación ambiental
- ✓ Se ha demostrado que caminar mejora la salud mental, produce felicidad y bienestar.
- ✓ Los niños necesitan al menos una hora de actividad física al día, y caminar o andar en bicicleta hacia y desde la escuela es una forma ideal de realizar algo de esa actividad, ¡y es gratis!
- ✓ Costo – Esto es fácil ... la cantidad que gastes en gasolina bajará!
- ✓ Caminar a la escuela les permite a los niños tener más tiempo durante el día para construir amistades.
- ✓ Caminar a casa puede ser un buen momento para pensar, relajarse y reflexionar sobre su día.
