Complete pre-visit forms, coming soon.

[Schedule/review appointments.](#)

[Renew prescriptions.](#)

Set up your **account** today. 

 **Create your account**

**Two ways to get started:**

1. You'll receive an email invitation to join CoxHealth Express. Click on the link provided in the email and follow the steps.

If you don't receive or have misplaced your email invitation, contact your clinic or call 417-269-7552.

2. Visit [coxhealth.com/portals](http://coxhealth.com/portals) and select "enroll" near the bottom of the page.

Enter your name, date of birth and CMRN – community medical record number – provided during your visit or located on your discharge instructions.

Only the patient can create an account through self-enroll. If you're creating a proxy account to manage someone's care, please contact the patient's clinic.

**Note:** If you have a Total Wellness, Powered by CoxHealth account through your employer, or a Healthy Living account, you can use the same username and password to log in to your Patient Portal account after you receive an email invite or self-enroll.

You can also access CoxHealth Express through our free **HealthLife app**.
