A message from Mr. Rose

Hello everyone, wow how time flies when you are having fun. One month of school has been completed and Fall is upon us. We are continuing to make a positive impact on the students that we serve here at Wilson Elementary School District. It continues to be a collaboration of caring adults that are making the difference in our program. "S.E.A.S. – "Successfully Educating All Students" is not just a slogan it is what we live by.

I would like to thank all our community stakeholders for their continued support of WSD. It is because of your support that Wilson Elementary School District continues to thrive.

Wilson Elementary School District is leading the way in providing innovative educational programs with teachers who are committed to constantly finding new ways to raise the bar for students so that they are College and Career ready.

We continue making meaningful connections in our relationships, to our curricular outcomes and last but not least planning for the future.

Thank you

Happy Fall Wilson Wildcats!

It is finally starting to cool down and time to enjoy our beautiful fall weather! We have several exciting family engagement events planned for the next few months. This month, we have a family night at Peter Piper Pizza on September 21st from 4-7pm and we also have a family game night on September 28th from 4-6pm. We have other great events coming up, so please visit our district website calendar.

During the first 5 weeks of school, the teachers and students have been working on practicing routines and procedures. They are doing a great job following directions and enjoying learning each day. Our students have also been practicing following the Wilson Way of being safe, responsible, and respectful. We honored our first round of Paws Winners last week by announcing

them during lunch and showering them with certificates, shirts, and prizes. We will continue to showcase the Paws Winners each month!

Thank you, parents, for participating in the Parent Teacher Conferences last week. We truly appreciate your input and the partnership that we have with you. We look forward to seeing many of our families and community members at the family events this fall.

Mrs. Wojcicki

National Hispanic Heritage Month: Sept. 15-Oct. 15, 2023

September 15, 2023

Press Release Number CB23-SFS.130

From hispanicheritagemoth.gov: "This Web portal is a collaborative project of the Library of Congress and the National Endowment for the Humanities, National Gallery of Art, National Park Service, Smithsonian Institution, United States Holocaust Memorial Museum and U.S. National Archives and Records Administration.

"About National Hispanic Heritage Month

"Each year, Americans observe National Hispanic Heritage Month from September 15 to October 15, by celebrating the histories, cultures and contributions of American citizens whose ancestors

came from Spain, Mexico, the Caribbean and Central and South America.

“The observation started in 1968 as Hispanic Heritage Week under President Lyndon Johnson and was expanded by President Ronald Reagan in 1988 to cover a 30-day period starting on September 15 and ending on October 15. It was enacted into law on August 17, 1988, on the approval of Public Law 100-402.

“The day of September 15 is significant because it is the anniversary of independence for Latin American countries Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. In addition, Mexico and Chile celebrate their independence days on September 16 and September 18, respectively. Also, Columbus Day or Día de la Raza, which is October 12, falls within this 30 day period.”

AzEIP is the Arizona Early Intervention Program for infants and toddlers. Wilson provides free and appropriate public education that includes special education and related services to children at public expense, under public supervision and direction without charge to parents. For all school-age students who are new to the district, the classroom teacher will complete screening activities within 45 days of enrollment. If any concerns are noted, the child will be referred for help. Parents who have concerns regarding their child's education may contact the Special Education Department at Wilson, (602) 683-2400, ext. 4205.
