# **INVITATION TO BID SCC#16/17-13ECTC**

Welding Equipment & Supplies February 13, 2017

The St. Clair County Board of Education invites you to bid on Lincoln Electric Invertec: V350 Education PRO Ready Pak with LF72 Wire Feeder & Welding Equipment (see breakdown on quote page 4) for the Eden Career Technical School. Sealed proposals will be received by the St. Clair Board of Education at 410 Roy Drive, Ashville, Alabama 35953 until Friday, February 23, 2017 at 9:00 a.m., at which time they will be publicly opened and read aloud.

Bidders are to contact Ronnie McFarling, ECTC Principal, at 205-594-7055 for any questions you may have regarding the bid.

The purchase will be made on or around *March 1, 2017*. This contract is renewable for up to four additional years. Renewal will require signatures of both parties.

 Bid Info & Results will be posted at www.sccboe.org/district/departments/Facilities/Bids and Purchasing

## **Disqualification of Bids**

Bids may be disqualified before the awarding of the contract for any of the following:

- Failure to mark envelope as required.
- · Failure to sign the bid documents.
- Failure to include requested information or other details of bid.
- Excessive errors.
- Failure to have an original signature on the bid form. A faxed copy is not acceptable.
- · Failure to include signed Non-Collusion Affidavit

#### Directions for Submitting Bids and Bid Opening

- The opening of bids will be at 9:00 a.m., Thursday, February 23, 2017 at the St. Clair County Board of Education Central Office at 410 Roy Drive, Ashville, Alabama.
- Bids are to be submitted in a sealed envelope with <u>"SCC#16/17-13ECTC"</u> clearly marked on the outside of the envelope.
- Sealed bids must be submitted by 9:00 a.m., (by the owner's mobile device) on Thursday, Feb. 23, 2017.
- All bids shall be typewritten or in ink on the forms contained in the bid packet. Bids prepared in pencil will not be accepted.
- All proposals must be signed by officials of the corporation or company duly authorized to sign bids. Any bid submitted without being signed may be automatically rejected. All corrections or erasures shall be initialed and dated by the person authorized to sign bids. If there are discrepancies between unit prices quoted and the extension price, the unit price will prevail.

- Any bid received after the designated time and date may not be considered and may be returned to the bidder unopened.
- Any bid may be withdrawn prior to the deadline listed; however, after a bid has been opened it
  may not be withdrawn.
- All prices and other terms of the bid shall be firm for a period of sixty (60) days from the date of the bid opening.
- All bids must be submitted on forms provided.

#### **Method of Award**

- The award will be made to the lowest responsible bidder meeting specifications attached
  to this bid packet. However, it is not the policy of the St. Clair County Board of Education to
  award or make purchases based exclusively on the low bid.
- Quality, conformity to specifications, purpose for which required, terms of delivery, past service and experience are among the factors that may be considered in determining the responsible bidder.
- A post bid conference may be required to ensure compliance and capability of responsible bidder to complete requirements of the bid.
- In the event the low bidder refuses to accept the entire requirements without deviation, the bid may be awarded to the next lowest bidder.
- The winning bidder will be determined for each site based upon bid submission for all specified services.
- Award of bid will be made to the responsible bidder offering a proposal that is deemed the
  most acceptable and advantageous to the St. Clair County Board of Education.
- Bid awards are not official until approved by the St. Clair County Board of Education.
- In the event that only one bid is submitted, thus creating a non-competitive bid situation, the bid may be rejected, negotiated or extended by the bidding agent in such manner as to obtain additional bids.
- The St. Clair County Board of Education reserves the right to reject any and/or all bids.

#### **Termination**

- The St. Clair County Board of Education maintains the right to terminate this agreement if the successful bidder breaches any material term or condition of this agreement and fails to cure such breach in a reasonable amount of time.
- The performance of the work or services under a contract as a result of this solicitation may be terminated in whole or part whenever the Superintendent or designee shall deem that termination is in the best interest of the School System. Such determination shall be in the sole discretion of the Superintendent or designee. In such event, the School System shall be liable only for payment in accordance with the payment provision of the contract for work or services performed or furnished prior to the effective date of termination.
- Termination shall become effective by delivery to contractor of written notice of termination upon which date the termination shall become effective.

#### Cash Allowances

This agreement contains no provision for cash allowance or advances.

#### **Payments**

- Invoices for all purchases or services shall be presented to the purchasing office or by mail at 175 College Street, Odenville, Alabama, 35120 after each order or on a monthly basis.
- Invoices are generally paid within a week of receipt.

#### Sales Tax

The St. Clair County Board of Education is a tax-exempt entity.

#### Contractor's Responsibilities

 Successful bidder must be licensed and insured and must show proof of such with proposal.

## Non-discrimination

The St. Clair County Board of Education provides equal opportunities for all business and does not discriminate against any vendor regardless of race, color, creed, sex, national origin, gender, or disability in consideration for an award.

The multi-process Invertec® V350 PRO is an efficient, lightweight and portable choice for training, fabrication or construction applications. Available in Construction, Factory, Factory (Tweco®) and Advanced Process models, the versatile V350 PRO is ready for almost any welding job in shop or outdoor environments.

#### **FEATURES**

- Exceptional Multi-Process Fabrication Welding -
  - · CC Stick Soft
  - CC Stick Crisp
  - DC TIG
  - CV Wire For MIG and Metal-Cored
  - CV Innershield® and Outershield® Flux-Cored
  - Arc Gouging Accessible from All Modes - Plenty of power to handle a 5/16 in. (7.9 mm) carbon
- All input voltages and frequencies are both single and three phase rated - No output derating necessary on single phase.
- > 5-425 amp output range For all recommended processes from DC TIG to arc gouging.
- Input voltage from 208-575 and 50 and 60 Hz operation - One machine runs on virtually any input power supply.
- ▶ Touch Start TIG® For contamination-free
- Low power consumption for energy savings - 88% efficiency.
- Parallel two units For 700A carbon arc gouging.
- Bright, large digital amp and volt meters are easy to monitor - Even in sunlight - and presettable for precise procedure control.
- Rugged skid and tube handles For convenience and added protection.

#### **APPLICATIONS**

· Construction, maintenance or shop welding.

#### Compatible with:

- LN-25 PRO model wire feeders.
- . 6-pin and 14-pin MS connector not included.

- 1) Large, bright, easy to read meters
- 2) Local/remote output control
- 3) Mode selection switch
- Negative and Positive Twist Mate™ Output Terminals
- 5) Wire Feeder Voltmeter Polarity Switch
- 6) Circuit Breaker Reset Buttons
- 7) On/Off Switch
- 8) Hot Start Control
- 9) Arc Control Knob
- Weld Terminals on or remotely controlled
- 11) Preset Output Amps and Voltage Control
- 12) Thermal Overload Indicator Light

#### Factory Model (K1728-6 with Twist Mate™ Cable Receptacles) (K1728-13 with Tweco® Cable Receptacles)

- Adds full remote capabilities and auto-detect local/ remote override control.
- Versatile multi-process machine for MIG, cored, stick, TIG and arc gouging applications.
- Optional Advanced Process Panel adds:
  - Pulsed MIG
  - Lincoln Electric Power Mode<sup>®</sup>
  - Lincoln Electric Pulse-on-Pulse®

#### **Great For:**

Construction or large-scale production factory applications.

#### Compatible with:

- LF-72, LF-74, LN-10, DH-10, and LN-25 PRO wire feeders.
- . 6-pin and 14-pin MS-type connectors.

- 1) Large, bright, easy to read meters
- 2) Local/remote output control
- 3) Mode selection switch
- Remote Output Control Receptacles 6- & 14-pin
- 6) Wire Feeder Voltmeter Polarity Switch
- 7) Circuit Breaker Reset Buttons
- 8) On/Off Switch
- 9) Hot Start Control
- 10) Arc Control Knob
- 11) Weld Terminals on or remotely controlled
- 12) Preset Output Amps and Voltage Control
- 13) Thermal Overload Indicator Light

#### Advanced Process Model (K1728-7)

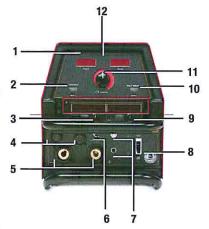

- Standard Advanced Process Panel adds:
  - Pulsed MIG
  - Lincoln Electric Power Mode®
  - Lincoln Electric Pulse-on-Pulse®
- Standard full remote capabilities and auto-detect local/remote override control.
- Advanced multi-process machine for pulsed MIG, cored, stick, TIG and arc gouging applications.

#### **Great For:**

· High-end pulsed MIG applications.

#### Compatible with:

- LF-72, LF-74, LN-10, DH-10, and LN-25 PRO wire feeders.
- · 6-pin and 14-pin MS-type connectors.

- 1) Large, bright, easy to read meters
- 2) Local/remote output control
- 3) Mode selection switch

#### CUSTOMER ASSISTANCE POLICY

The business of The Lincoln Electric Company is manufacturing and selling high quality welding equipment, consumables, and cutting equipment. Our challenge is to meet the needs of our customers and to exceed their expectations. On occasion, purchasers may ask Lincoln Electric for information or advice about their use of our products. Our employees respond to inquiries to the best of their ability based on information provided to them by the customers and the knowledge they may have concerning the application. Our employees, however, are not in a position to verify the information provided or to evaluate the engineering requirements for the particular weldment. Accordingly, Lincoln Electric does not warrant or guarantee or assume any libility with respect to such information or advice. Moreover, the provision of such information or advice, including any implied warranty of merchantability or any warranty of fitness for any customers' particular purpose is specifically disclaimed.

Lincoln Electric is a responsive manufacturer, but the selection and use of specific products sold by Lincoln Electric is solely within the control of, and remains the sole responsibility of the customer. Many variables beyond the control of Lincoln Electric affect the results obtained in applying these types of fabrication methods and service requirements.

Notice of Alabama Immigration Law Compliance Requirements to all Contractors of the St. Clair County Board of Education

As a Contractor, as defined in the Beason-Hammon Alabama Taxpayer and Citizen Protection Act, to the St. Clair County Board of Education ("the Board"), it is critical to your relationship (future or continuing) with the Board that you comply with the Immigration Reform and Control Act of 1986, as amended by the Immigration Act of 1990, and the Beason-Hammon Alabama Taxpayer and Citizen Protection Act. Accordingly, please provide your Affidavit of Immigration Compliance with attached E-Verify Memorandum of Understanding, as requested in the attached memorandum. If you do not believe these obligations apply to you, please notify the Board immediately.

Every contract entered into by the Board from this point forward with a contractor will contain the following clause or one substantially similar:

Alabama Immigration Law Compliance Contract: Contractor agrees that it will fully comply with the Immigration Reform and Control Act of 1986, as amended by the Immigration Act of 1990, and the Beason-Hammon Alabama Taxpayer and Citizen Protection Act, which makes it unlawful for an employer in Alabama to knowingly hire or continue to employ an alien who is or has become unauthorized with respect to such employment or to fail to comply with the I-9 requirements or who fails to use E-Verify to verify the eligibility to legally work in the United States for all of its new hires who are employed to work in the State of Alabama. Without limiting the foregoing, Contractor shall not knowingly employ, hire for employment, or continue to employ an unauthorized alien, and shall have an officer or other managerial employee who is personally familiar with the Contractor's hiring practices to execute an affidavit to this effect on the form supplied by the Board and return the same to the Board. Contractor shall also enroll in the E-Verify Program prior to performing any work, or continuing to perform any ongoing work, and shall remain enrolled throughout the entire course of its performance hereunder, and shall attach to its affidavit the E-Verify Program for Employment Verification and Memorandum of Understanding and such other documentation as the Board may require to confirm Contractor's enrollment in the E-Verify Program. Contractor agrees not to knowingly allow any of its subcontractors, or any other party with whom it has a contract, to employ in the State of Alabama any illegal or undocumented aliens to perform any work in connection with the Project, and shall include in all of its contracts a provision substantially similar to this paragraph. If Contractor receives actual knowledge of the unauthorized status of one of its employees in the State of Alabama, it will remove that employee from the project, jobsite or premises of the Board and shall comply with the Immigration Reform and Control Act of 1986, as amended by the Immigration Act of 1990, and the Beason-Hammon Alabama Taxpayer and Citizen Protection Act. Contractor shall require each of its subcontractors, or other parties with whom it has a contract, to act in a similar fashion. If Contractor violates any term of this provision, this Agreement will be subject to immediate termination by the Board. To the fullest extent permitted by law, Contractor shall defend, indemnify and hold harmless the Board from any and all losses, consequential damages, expenses (including, but not limited to, attorneys' fees), claims, suits, liabilities, fines, penalties, and any other costs arising out of or in any way related to Contractor's failure to fulfill its obligations contained in this paragraph.

To the extent that there is no formal written contract between the Board and the Contractor, such as where business is conducted by purchase order, this document shall serve as the Alabama Immigration Compliance Contract.
