

Salinas City Elementary School District

Mission & Goals

Policy #0420.11

PARENT INVOLVEMENT IN SCHOOL BASED COORDINATION PROGRAMS

Parental involvement and support in the education of children is an integral part of improving academic achievement. Educational research has established that properly constructed parent involvement programs can play an important and effective role in the participation of parents in their children's schools and in raising student achievement levels.

Policy and Regulation #6171 describes parental involvement for Title I schools in the District. This policy assures that School Based Coordination Program schools involve parents in carrying out the educational program.

The Superintendent or designee shall prepare regulations to describe how the parents of all students in the District will participate in their children's educational program.
