## FISCAL POLICY TEAM

The Governing Board recognizes that sound fiscal management requires anticipating financial problems and taking early corrective action.

The Superintendent shall establish a fiscal policy team to regularly review the district's financial condition, report to the Board on vital financial data, advise the Board regarding the maintenance of adequate reserves, and recommend long-range fiscal policies to ensure the viability of the district's educational programs.

Individuals holding the following positions shall be members of the Superintendent's fiscal policy team:

Superintendent  
Assistant Superintendent Educational Services  
Assistant Superintendent Fiscal Services  
Director of Personnel  
Chair of the Management Team.
