## LOTTERY FUNDS

Because amounts received from the California State lottery fluctuate from year to year, the Governing Board shall not commit future lottery funds for any purpose until they have been received.

The Board shall establish funding priorities and approve all allocations within the parameters of law. Lottery funds shall not be used to acquire real estate, build school facilities, finance research, or serve any other noninstructional purpose. Products designed for both instructional and noninstructional purposes may be purchased with lottery funds only when they will be used to benefit an educational program or activity.

The Superintendent or designee shall establish a separate account for the receipt and distribution of lottery funds. (Government Code 8880.5)
