Students may be excluded from attendance at district schools if they:

1. Are under the legal age of attendance, except as otherwise provided by law. (Education Code 48210)
2. Do not present evidence of immunization from certain infectious diseases as required by law. Such a student shall not be excluded, however, if the parent/guardian, in writing, requests exemption from the immunization requirement on the basis of the student's physical condition or a conflict with the parent/guardian's religious beliefs. (Health and Safety Code 120335, 120365)
3. Are reasonably suspected of having active tuberculosis. (Health and Safety Code 121485, 121495 and 121505)
4. Reside where any contagious, infectious, or communicable disease subject to quarantine exists or has recently existed, unless written permission of the health officer is provided. (Health and Safety Code 120230)
5. Have not had a health screening before or within the first 90 days of attending first grade. Such students may be excluded for up to five days unless the parent/guardian has presented an appropriate waiver or the district has exempted the student from this requirement in accordance with law. (Health and Safety Code 124105)
6. Have filthy or vicious habits, or suffer from contagious or infectious diseases. (Education Code 48211, Code of Regulations, Title 5, Section 202)

The Governing Board shall periodically review its decisions to exclude students of filthy or vicious habits or suffering from contagious or infectious diseases. (Education Code 48214)

Before excluding any such student, the Superintendent or designee shall send a notice to the parent/guardian of the student. This notice shall state the facts leading to a decision to propose exclusion and shall further state that: (Education Code 48213)

- a. The parent/guardian has a right to meet with the Board to discuss the proposed exclusion.
- b. At this meeting, the parent/guardian shall have an opportunity to:
 - (1) Inspect all documents upon which the district is basing its decision to propose exclusion
