Release Of Directory Information

PARENT/GUARDIAN NOTICE RELEASE OF DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that Salinas City Elementary School District with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the district may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the district to include this type of information from your child's education records in certain school and/or district publications. Examples include:

- * a playbill, showing your child's role in a drama production
- * the annual yearbook
- * honor roll or other recognition lists
- * promotion programs
- * sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

If you do not want the district to disclose directory information from your child's education records without your prior written consent, you must notify the district in writing by June 30. The district has designated the following information as directory information:

1. Name
2. Address
3. Telephone number
4. Email address
5. Date of birth
7. Participation in officially recognized activities and sports
8. Weight and height of athletic team members
9. Dates of attendance
10. Awards received
11. Most recent previous school attended

The district also may disclose your child's student identification number, user identification, or other unique personal identifier used to communicate in electronic systems, provided it cannot be used to access education records without a personal identification number (PIN), password, or other factor that only the authorized user knows. Your child's social security number will not be used for this purpose.

Directory information does not include your child's citizenship status, immigration status, place of birth, or any other information indicating national origin. The district will not disclose such information without your consent or a court order.
