BOARD DEVELOPMENT

Citizens elected to the Governing Board are entrusted with the responsibility of governing district schools. The Board recognizes that its members need training that helps them understand their responsibilities, stay abreast of new developments in education, and develop boardmanship skills.

All Board members may attend conferences for the purpose of Board development. Board business shall not be discussed at conferences. The attendance of a majority of the Board's members at a conference does not constitute a meeting subject to the Brown Act, provided that a majority of the members do not discuss Board business.

Board members shall report to the Board, orally or in writing, as soon as possible on the inservice activities they attend.

Funds for Board development shall be budgeted annually for each Board member.
