## Mission and Philosophy

We are a learning community of students, faculty, staff, and parents. At Zurich International School (ZIS), educational excellence commits us to: **Learn, Care, Challenge, Lead.**

## The School

ZIS is a leading non-profit day school offering a comprehensive education program for students ages 3–18 to our mainly expatriate community.

**We are an inclusive school with an open admission policy enrolling a diverse student population with a range of abilities.** Learning Support (LS) and English as an Additional Language (EAL) services are available.

## Upper School Faculty

The 75 full-time and part-time Upper School faculty have taught an average of nine years at ZIS, and most have taught at other international schools throughout the world.

## Curriculum

All students work toward earning a ZIS Upper School Diploma. The school offers the International Baccalaureate (IB) Diploma Programme, Advanced Placement (AP) courses and ZIS Upper School courses. We value AP and IB pathways equally. Our academic advising encourages students to choose the pathway best suited to their needs. The integration of technology into the curriculum is a priority and is based on the International Society for Technology in Education (ISTE) Standards. ZIS emphasizes Social Emotional Learning as a key component of education. Using the CASEL Framework and the International School Counselor Association (ISCA) standards, ZIS has integrated SEL into the advisory program and academic curriculum.

**The language of instruction is English.**
