17% 2-Year College / Trade School

The Nonnewaug Experience

Nonnewaug High School provides opportunities beyond the classroom for students to engage, explore and excel.

- Highlighting our student's commitment to extend their learning beyond the classroom we offer academic **honor societies** in Math, English, Social Studies, Science, French, Art and Music.
- The **Arts Department** allows students to explore their creativity through a number of school and community events. NHS students earned 5 Silver and 15 Gold Keys, 1 Gold and 2 Silver Portfolios for the CT Scholastic 2023 Art Awards. Additionally, 2 Silver and 1 Gold Medal were earned in the National Scholastic 2023 Art Awards. In 2023 every AP Art student earned a 5.
- The **Performing Arts Department** participates in over 40 school and community performances and events each year. The Performing Arts Department is comprised of our Music and our Theater Programs. The Music Program offers five different musical ensembles during and after school. The Theater Program produces a Fall play and Spring Musical each year and earned 1 Halo Award and 12 nominations in 2023.
- Through the **Agri- Science Department**, forty-five percent of our students maintain a 200 hour work experience (SAE) component as part of their educational requirements. Many of these students compete at the regional, state and national levels through FFA.
- Our **Business Department** offers chapters of both FBLA and DECA as well as partnerships with local and state universities. Students are offered the opportunity to network and compete at the state and national level.
- **Athletics** at NHS maintains a winning tradition and was honored with the prestigious Ted Alex award the past two years. This award is given to a Berkshire League school with the highest win percentage combined with sportsmanship scores. Nonnewaug won 6 Berkshire League titles in 2022-2023 and the football co-op team won the CTC Conference. Nonnewaug also won the 2023 Class M Baseball State Championship.
- Our **Robotics Team**, Team Beta, made it to the state finals in 2023.
- All students are required to complete a **Mastery Based Learning Experience** and project for graduation. This independent learning experience fosters personal growth and advances the academic skills of our learners in this ever-changing global community.

2024 GRADUATION REQUIREMENTS
