September 29, 2023

Dear Gull Lake Families and Staff,

It's Homecoming Friday! We have been celebrating this Fall tradition all week with lots of fun activities for kids of all ages. Students at every grade level get to show their school spirit and pride at pep assemblies held in our stadium. If you live within a few miles of the football field, you are likely to hear young voices raised in cheers and chants. Our kids are encouraged by our team of educators who understand the importance of celebrating traditions together as one big school family.

We want to welcome all of you to our 5:30pm Homecoming Parade that starts downtown at the village square in Richland and turns in to our main campus at Ryan Drive. There will be food trucks outside the stadium from 4pm to 7pm for hungry tailgaters. Our varsity football team matches up against Benton Harbor, and our Homecoming court will be backed up by our Blue Devil Marching Band as they are introduced to the hometown crowd at halftime. You are sure to be inspired by our GLCS Foundation presentation at the start of our halftime festivities as they present their annual giving in support of our school programs!

Come celebrate and GO GULL LAKE!!!

Raphael Rittenhouse/Superintendent
Gull Lake Community Schools
