Friday, September 29, 2023

Dear Parents/Guardians,

Unfortunately, as of this date, a driver has not yet been hired for your child's bus route. For the foreseeable future, your child's afternoon bus will be late. Instead of issuing daily calls, we will provide one more call today, Friday, September 29, 2023, to inform you that your child's afternoon bus will be delayed until a driver can be hired.

Once the school district appoints a driver for your child's specific route, you will be promptly informed through our Mass Notification System. Additionally, we will post updates on social media and on the Silsbee ISD website under the Transportation Message section.

Our concern is that frequent calls may lead to complacency among parents. In the event of important messages, we want to ensure that parents do not inadvertently overlook them, assuming they are related to the daily bus delays.

To stay informed about daily bus delays, we will maintain regular updates on our Facebook page and the Silsbee ISD website. You can access this information by clicking the Transportation Message tab on the right side of the homepage at [silsbeeisd.org](http://silsbeeisd.org).

If there is ever a time you wish to pick your child up from school, please contact your child's campus by 2:00p.m. that day and let them know of the changes.

We sincerely appreciate your patience and understanding as we actively seek to hire more bus drivers to improve the transportation services for our students.

Sincerely,  
Silsbee Independent School District
