

Santa Fe Independent School District

Superintendent Message

Dear SFISD Teachers and Staff:

September 29, 2023

Greetings everyone! We've had a great week of **STEM and Book Fair Nights** for all our elementary schools. Thank you to all our teachers, instructional coaches, librarians, and support staff for making this happen. Great job all around.

We have several proclamations for the month of October. Next week begins **Bullying Prevention Month**. Thank you to everyone for all you do to support our anti-bullying initiatives in SFISD. October is **National Principals Month**, so be sure to thank our awesome Principals! It is also **National Physical Therapy Month**. We are so thankful for these amazing employees in SFISD :)

We have another busy weekend ahead for our Indians. Our **Volleyball Team** is headed to Manvel this afternoon. They had a great WIN this past week against Texas City! Our **SFHS Marching Band** has a Band Competition in Galena Park on Saturday morning. A big shout-out to Mr. Raines, Mr. Sholmire, and all our Band students. Best of luck to all of you.

Our **Varsity Football Team** is playing Ft. Bend Marshall at Hall Stadium at 6:00 p.m. on Saturday night. We want to wish all these students and athletes good luck this weekend as well. Let's GO Indians! #WeBelieve!!

Have a safe and blessed weekend everyone,  
KB
