

Santa Fe Independent School District

Superintendent Message

Dear SFISD Teachers and Staff:

September 22, 2023

Good morning everyone! We've had another full week of events in SFISD. Our **Junior High football and volleyball teams** have both played competitive games this week. A big shout-out to Coach Pfaff, Coach Hernandez, and all our Junior High coaches for your ongoing commitment and hard work with these athletes. Awesome job.

The Santa Fe FFA Alumni **Fall Cattle Bash** will be at the Galveston Fairgrounds on Saturday. We will have FFA students showing, so we invite you to come out and show your support. Also on Saturday, our **SFHS Choir** is headed to Manvel for a UIL All-State Choir competition. We wish all of you a successful weekend!

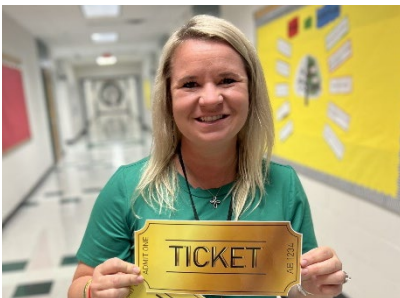

We want to announce a couple of **Fundraiser opportunities** for our Santa Fe students. Shine Rite Car Wash is offering a "Fundraiser Special" this weekend in support of the *Santa Fe Education Foundation*, and *Projection Graduation* is hosting a BBQ Sandwich Fundraiser for the Senior Class of 2024 (see flyers on the next page). These are great opportunities to support our SFISD students and staff.

Last but not least, our **Varsity Football team** is hosting their first district game vs. Dayton at 7:00 p.m. tonight. This is the Clear Life Media "Game of the Week," so the game will be live-streamed with commentary. The theme for our students tonight is **NEON**. We hope you can come out tonight and show your support! Let's GO Indians!!

Don't forget - Monday is a student holiday and a teacher flex day for SFISD :)

Have a great weekend,

KB

Santa Fe ISD is an academic leader committed to excellence through continuous improvement by instilling high standards, building strong community partnerships, providing innovative opportunities, and empowering students for lifelong success.
