

COLLEGE & ACADEMIC COUNSELING

THE KING'S ACADEMY
CHRIST-CENTERED COLLEGE PREPARATORY
Junior and Senior High School • Grades 6-12

GRADUATING STUDENTS WITH A SENSE OF PURPOSE

PROGRAM OVERVIEW

TKA provides counseling to students beginning in 8th grade to assist with academic planning for high school and beyond. In the 9th grade, each student is assigned a counselor who will remain with the student for all four years of high school and assist with course planning, and college counseling. By working with students beginning in the 9th grade, counselors are well acquainted with their students when they begin their college application process, which allows for more personalized college recommendations and detailed counselor letters of recommendation.

The college admissions process is a pivotal period in the high school student's life and is a process that involves the whole family. The King's Academy is equipped to come alongside our students and parents throughout the process to make it personal, meaningful, and targeted to individual needs. We strive to demystify college admissions and empower students to apply to colleges that are best suited to their talents and interests.
