B. Information and Discussion

B. 1. Staff appreciation and good things happening -Teacher appreciation week is this week. Professional Development workshops are well attended.

B.2. Emergency Waivers – OSPI set forth emergency rules regarding grading and number of hours of instruction and days in school year. A resolution will be put in front of board members at next meeting.

B.3. Budget planning – enrollment and COVID 19 impacts
For the 2019-20 school year, we budgeted at 905 FTE. We are currently at 904.5 as an average for the year. A budget based on 871 is being developed. We are also bracing for the possibility that the legislature may come back over the summer or in January and make additional budget cuts.

B.4. Staffing for 20-21 –
Due to budget concerns, each open position is being reviewed to determine if we can absorb the position or fill in a different way.
