Parent Academy

The State of the Central Ohio Workforce

FOUR SESSIONS FEATURING CENTRAL OHIO'S TOP EMPLOYERS

In these eye-opening panel discussions, these companies will share how our workforce is changing, emerging trends, and the skills necessary for the job market our students (and parents) will be facing in lieu of, during and after college. The sessions will highlight the pathways to the jobs of today and tomorrow, potential opportunities for Olentangy students and how Olentangy Schools is preparing students to flourish in our changing economy.

Olentangy: BridgED:

BridgED is an activation team built to “bridge the gap” between K-12 and the business community. BridgED was built by corporate engagement professionals in academia to solve the fundamental challenges of helping companies and districts work together.

The impact is workforce development, internships and hiring, philanthropic giving (scholarships), and ultimately, student success and defining paths forward.
