

Membership Requirements & Expectations

To Qualify For Membership:

1. A junior applicant must re-apply in the fall of their senior year to verify their GPA and enrolled courses required to maintain membership.
2. An applicant must be **a junior or senior** at PHS and is currently enrolled in or has completed Pre-Calculus. If an applicant has already completed Pre - Calculus, he/she must be currently enrolled in an approved mathematics course.
3. An applicant must have a 3.5 grade point average in all courses taken on their PHS transcript.
4. An applicant must have a 4.0 average across A level math courses and/or a 3.0 average across honors math classes taken on their PHS transcript.

To Be Inducted and/or Maintain Membership:

1. A member must have **no lower than a C** for any semester 1 grade and **no lower than a C for any quarter 3 grade** in all classes they are enrolled in for the current school year. If a member has lower than a C for a semester grade, then they have until the end of quarter 3 to improve.
2. A member must maintain behavior that is acceptable to the guidelines of their educational institution.
3. A member must perform 10 hours of school/community service in approved service projects. At least 8 of those hours **MUST** be service projects through Mu Alpha Theta.
4. Members must complete a Google Form to submit service hours. Members can view progress on their service hours throughout the year using a document posted to the club's Google Classroom.
5. A member must attend monthly meetings (in person) or inform the secretary of the reason for the absence. A member will earn 0.5 (in-club) points per meeting. Meetings will be held every third Wednesday of the month unless otherwise noted.
6. A member must pay yearly dues.
7. An honor cord will be awarded only to students who have maintained membership throughout their senior year.

8. Membership may be revoked if a student does not maintain the necessary criteria outlined.
9. Induction will be jointly held with Science National Honor Society and take place in May.
