ISAAC MIDDLE SCHOOL STUDENTS NOMINATED FOR PRESTIGIOUS DR. MARTIN LUTHER KING SCHOLARSHIP

New London, CT: Each year, the Dr. Martin Luther King, Jr. Scholarship Trust Fund honors two outstanding 8th grade students of color from area middle schools, recognizing them as academic leaders and exemplary contributors to society. These exceptional young scholars are invited, along with one parent, to attend the highly-anticipated annual dinner, taking place on Thursday, October 19th, 2023, at 6:00 pm at the Mystic Marriott.

ISAAC Proudly Announces Its 2023 Nominees

This year, ISAAC Middle School is thrilled to introduce its two 8th grade student nominees, **Zariah Bonneau** and **Nailah Thompson**, who have been selected for their exceptional achievements and their significant contributions to their school community.

The nomination not only serves as an honor but also opens the door for these remarkable students to apply for scholarship funds during their junior year of high school. These funds can be instrumental in helping offset the costs associated with pursuing higher education, as Zariah and Nailah aspire to achieve their educational ambitions.

Nailah Thompson, one of the nominees, has her sights set on a career in law, with a particular interest in becoming a real estate attorney. She passionately shared, "I would like to work in law. A real estate attorney is what I'm most interested in." Her drive and determination are already evident as she paves the way for her future endeavors.

Zariah Bonneau, on the other hand, has a profound passion for art and envisions herself continuing her artistic journey in college. She expressed, "I really like art; it is my passion. But I want to go to college and continue to

find my path to what I want to do." Her commitment to exploring her artistic talents and pursuing higher education is truly inspiring.

Congratulations to ISAAC's Bright Stars!

ISAAC Middle School is immensely proud of Zariah Bonneau and Nailah Thompson for their well-deserved nominations to the Dr. Martin Luther King, Jr. Scholarship Trust Fund. These promising young students exemplify dedication, leadership, and a commitment to making a positive impact on the world. As they embark on their educational journeys, we extend our heartfelt best wishes and support to help them achieve their dreams.

We celebrate Zariah and Nailah as shining examples of ISAAC's dedication to nurturing and empowering future leaders, and we eagerly anticipate the remarkable contributions they will make in the years to come. Go Dragons!
